5.1: Administration

School update – Thank you to the parents for preparing their students for the school year and for the hard work that was put in during Continuity of Learning in the spring. Our students are resilient and doing a wonderful job at school and on our buses.

Beyond the Hurt Update – Students who worked with the Red Cross in the spring and completed the Beyond the Hurt Program Training – will be working with our counsellors to create opportunities for growth in our students during unstructured times and during class time.

Focus on KNIGHTS – our staff and students will be focusing on what it means to be a KNIGHT and what the KNIGHTS acronym stands for. Each month our counsellors will provide classes with opportunities to learn about and practice one of the KNIGHTS characteristics. We will be encouraging students through nominations for KNIGHTS and a monthly draw focusing on the key KNIGHTS focus – this month is being KEEN and our winning KNIGHT will get a KNIGHTS hockey jersey. This is the beginning of our new focus on KNIGHTS to replace what Leader in Me opportunities we no longer subscribe to.

Staff information – we currently have Mr. Chin(full-time) and Mrs. Thompson (1/2 time) working in our Continuity of Learning program – we have 41 students accessing CL and 13 students accessing Home Education, the remaining 219 are in-class learning. Mrs. Striegler is a floating teacher between Gibbons and LS in the event we are in need of a teacher substitute rather quickly.
