A Message from the Principal

It is the end of September and what a month it has been! Welcome back! Thank you to all of the **KNIGHTS** Families for preparing our students for our new school environment. Our students and staff are resilient and are working so well together! Some of the awesome things we have seen this month are:

- 44 students were recognized for their **KNIGHTS** character
- All students participated in our annual Terry Fox Run
- Staff collaborated on Professional Development Day to improve our teaching and learning and the rigor of the work our students accomplish
- Staff celebrated welcoming our students back
- We had a very successful first fire drill
- And, most importantly, we are incredibly happy to have our **KNIGHTS** back in our building!

We are also excited to welcome new (and returning) staff members to our TEAM!

- Mrs. Cornelius is back with us and brings her love of science and nature to life in our Junior High classrooms
- Mr. Jensen, who has been Vice Principal at BACS for the past 7 years joined our team as Vice Principal and became a **KNIGHT** again
- Miss Ward returned to us after a few years away and is excited to be working in Junior High

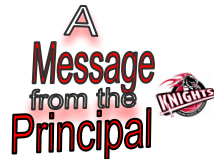

- Mr. Stronciski is being shared between Gibbons School and Lilian Schick and is excited to run our music program
- Mrs. Striegler is joining us every other day and is also shared between Gibbons School and Lilian Schick

We are so happy to have our support staff back with us as well.

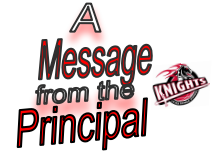

- Mrs. Martinell is supporting students in Junior High
- Mrs. Foster is our Library Tech and elementary support person
- Ms. Hellinga is continuing on in supporting students in Junior High
- Mrs. St. Onge is continuing to work in our office

Our staff is so happy to be back with our kids!

Parent Information

We have several students who suffer from **nut allergies** at the school. In providing as safe an environment as possible, we encourage our students to bring nut free lunches and snacks. If students are bringing treats for others, we ask that they be free of nut products. Your assistance in limiting these products being brought into the school is appreciated.
