A Message from the Principal

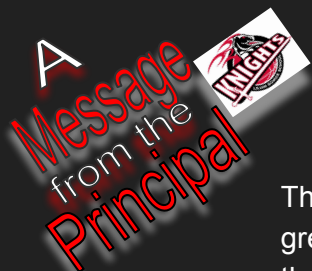

Hello KNIGHTS Families!

It is almost spring and we are happy to have some warm weather and finally get outside again after that cold snap!

There have been so many incredible things going on at school! Did you know Mr. Harvey is teaching our Junior Highs about buying and selling stocks and investing? Each week we have a leaderboard and our students are out-investing our teachers! We have also had structure building competitions with Mrs. Sudyk in Grade 7, Science and dissections with Mrs. Cornelius in grade 7½ Science! Our students have been engaged in some pretty incredible learning opportunities! Elementary Art students have been working with Mr. Jensen to produce works of art using cardboard and other beautiful watercolour paintings! Grade 9's have started their literature circles with Mrs. Steeves and enjoyed sharing a variety of children's stories preparing for this experience! Watching them read to their peers as a teacher would was an experience all of its own! The grade 8's have started to embrace their athleticism with Mr. Covenden focusing on Basketball skills! I would say the Octopus is the hardest dribbling move! All of our students have now completed the OurSchool Survey!

Thank you to our Student Voice Team for sharing their knowledge and expertise with our classes to help them get a great understanding of how important our student voices are. We look forward to seeing the results of this survey at the end of May!

It has been a busy month and we look forward to the shift in temperatures as the season changes so we can spend more time outdoors.

We are busily planning for the 2021-2022 school year. Thank you to everyone who has confirmed their child's registration for the coming school year in Sturgeon Public Schools. If you have any questions about this, please call the office and speak to Mrs. St.Onge or email at lilianschick@sturgeon.ab.ca

Have a great month, welcoming Spring and Springing ahead in our daylight savings time!

Parent Information

We have several students who suffer from **nut allergies** at the school. In providing as safe an environment as possible, we encourage our students to bring nut free lunches and snacks. If students are bringing treats for others, we ask that they be free of nut products. Your assistance in limiting these products being brought into the school is appreciated.

Attendance

Please inform the office and/or the teacher if your child will be absent from school. Permission notes are accepted by the teacher and office. Inform both places for accuracy! 780-921-2200 or lilianschick@sturgeon.ab.ca

Kids Plus Accidental Insurance is now available online. Kids Plus Accident insurance reimburses for accident-related medical and dental expenses not covered by provincial, extended health or dental plans.
