A Message from the Principal

Hello **KNIGHTS** Families!

Here we are beginning February and we are in a deep freeze! We have seen some innovative indoor recess games – who knew hockey handball with a wadded up piece of paper could be so exciting!

Our KNIGHTS have been working hard to show their KNIGHTS character and, once again, we have had a significant number of our KNIGHTS exemplify our acronym. It is exciting to see them start to recognize it in others and for staff to recognize it in our students and in each other. We are encouraging students to recognize each other this month!

February is Random Acts of Kindness Month! We look forward to having our student illustrate their random acts and be recognized on our #LSRAK2021 tree! Pictures to come in the next newsletter!

Thank you KNIGHTS families for working together with us to keep our students safe and healthy at school. We have been practicing hygiene and following protocols. It will be helpful to have conversations with our KNIGHTS about how we can help to keep each other healthy.

It has been a great month back in the building teaching students face to face. Thank you for your diligence KNIGHTS! We have seen students rise to the occasion as our teaching and learning environments change!

Thank you to parents for emailing or calling the school when your child is going to be away! Please continue to do this as it has helped keep our busy office running smoothly.

Have a great rest of the month!

Stay warm!

Mrs. Greenwood

Parent Information

We have several students who suffer from **nut allergies** at the school. In providing as safe an environment as possible, we encourage our students to bring nut free lunches and snacks. If students are bringing treats for others, we ask that they be free of nut products. Your assistance in limiting these products being brought into the school is appreciated.
